Four simple steps to draw a Kookaburra

by Marrawuy Journeys

Marrawuy Journeys
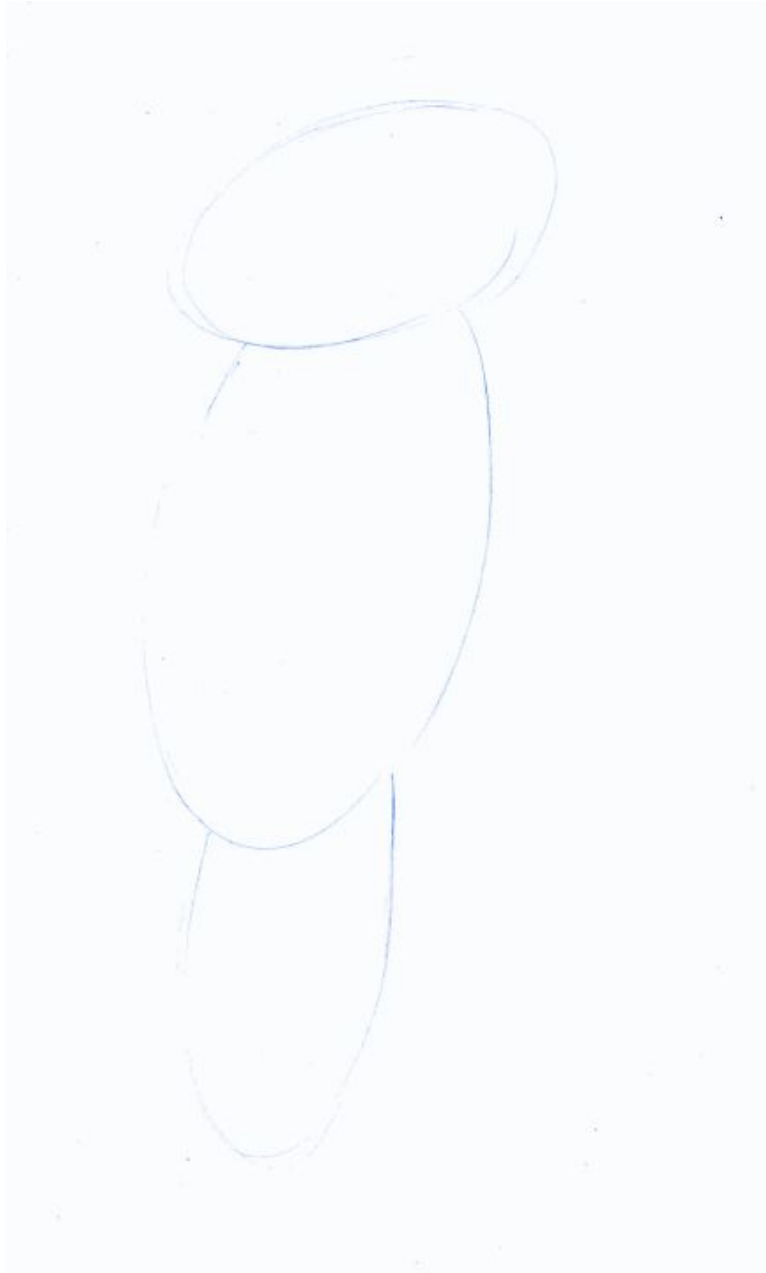

Step 1:

- Lightly draw 3 oval shapes for the head, body and tail

Step 2:

- On an angle, draw a rectangle shape without its bottom corner for the beak
- Draw some feathers on the back of its head
- Draw an oval for its wing
- Draw a line to represent the branch

MARRAWUY JOURNEYS

Step 3:

- Create two boomerang-shapes for the top and bottom part of the beak
- Draw the shape over the eye
- Draw some feathers on its tail

MARRAWUY JOURNEYS
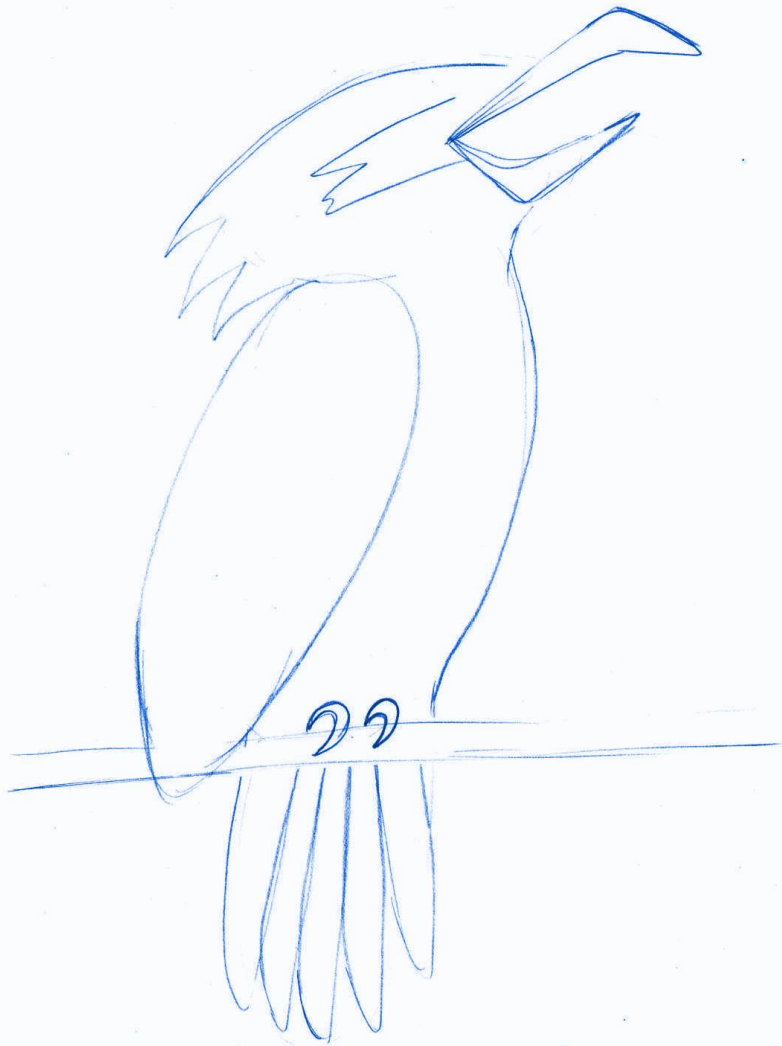

Step 4:

- Create two boomerang-shapes for the top and bottom part of the beak
- Fill out the branch and add some claws
- Draw some feathers on its tail
- Connect the outline
